SPECIAL BUSINESS

Resolution 8

Participation by Directors in the Issue of Options

On 24 November 2004, following shareholder approval, the Directors resolved to grant 3,680,000 options, 300,000 of these options have since expired and 3,380,000 remain on issue. The options are for a period of five years, expire on 24 November 2009 and are exercisable at 25 cents. Directors who are holders of the 24 November 2009 options, which expire shortly (and before the AGM), are Robert L Richardson (1,600,000) and Robert J Waring (1,150,000).

It is now proposed that new options be issued to the six Directors of the Company. In accordance with the ASX Listing Rules, shareholders are hereby advised of the following details concerning the proposed participation by Directors the proposed issue of options for which your approval is sought:

- (a) the following Directors are eligible to participate in the issue, subject to your approval:
- Patrick J D Elliott
 - Gregory F P Jones
 - Robert John Waring
 - Foo Fatt Kah
 - Kwan Chee Seng
 - Robert Lewis Richardson
- (b) the maximum number of options that may be issued to the Directors, subject to shareholder approval, is as follows:
- | | |
|----------------|-----------|
| P J D Elliott | 1,000,000 |
| G F P Jones | 3,250,000 |
| R J Waring | 500,000 |
| F K Foo | 1,000,000 |
| C S Kwan | 2,000,000 |
| R L Richardson | 500,000 |
- (c) the options will be issued pursuant for no cash consideration. These options may be exercised

(and shares will be issued) at a price of 18 cents. The options will expire if not exercised by 27 November 2014. Funds raised on the exercise of options will be used to increase working capital.

- (d) in accordance with ASX Listing Rule 10.13 we advise that the date by which the Company will issue the options will be within one month of the meeting.

It is proposed that the options be granted in recognition of the contribution to the Company by Directors and the ongoing responsibility that they assume for the affairs of the Company. All of the Directors are to participate in the offer. At the time of writing, the price of the Company's shares is \$0.095 compared with the range \$0.05 and \$0.125 during the previous 12 months.

Using the Binomial option valuation methodology and assuming a valuation date of 12 October 2009, when the share price was \$0.10, the options have a value of approximately \$0.08 each. Accordingly the total value of options proposed to be granted to Non-executive and Executive Directors is \$660,000 (comprising P J D Elliott \$80,000, G F P Jones \$260,000, R J Waring \$40,000, F K Foo \$80,000, C S Kwan \$160,000 and R L Richardson \$40,000). The assumptions used in the calculation are the risk free rate of 5.30%, based on the Australian Government Treasury Bond Rate, an exercise price of \$0.18 compared to the share price of \$0.10 on the valuation date and the last traded share price of the shares of the Company on ASX at the date of this Notice of \$0.095 and a volatility of 123.19% factoring the historical share price volatility.

It is noted that these Directors have the following number shares/options in the Company; P J D Elliott (2,352,345 shares and no options), G F P Jones (365,862 shares and 750,000 options), R J Waring (1,353,864 shares and 800,000 options – excluding the 1,150,000 options expiring before the AGM), F K Foo (no shares and no options), C S Kwan (39,946,403 shares and no options) and R L Richardson (3,350,760 shares and 1,060,000 options – excluding the 1,600,000 options expiring before the AGM). The dilutionary effect of the issue of 8,250,000 options to these Directors will be 4.41% of the expanded shares and options on issue. Currently there are 175,287,592 fully paid ordinary and 450,000 partly paid ordinary shares on issue. At the date of the notice there are 3,380,000 options on issue with an exercise price of \$0.25, which expire on 24 November 2009, 2,280,000 which expire on 27 November 2011 (exercise price \$0.14), 300,000 which expire on 28 May 2012 (exercise price \$0.18) and 900,000 which expire on 9 February 2014 (exercise price \$0.14).

The Directors do not make any recommendation on the resolutions 8(a) to 8(f) because of their personal interest in the subject matter of the resolutions.

In accordance with ASX Listing Rule 6.16, 6.19 - 6.23 and 7.22 it is noted that there are not participating rights or entitlements inherent in the options to be considered at the meeting, and the other options on issue, and that the holder of options will not be entitled to participate in new issues of capital which may be offered to shareholders during the currency of the options, and the option holder can only participate in new issues by exercising the option. In the event of any reconstruction (including consolidation, sub-division, reduction or return) of the issued capital of the Company, the number and exercise price of options will be reconstructed in the same proportion as the issued capital of the Company is reconstructed and in a manner which will not result in any additional benefits being conferred on option holders which are not conferred on shareholders (subject to the same provisions with respect to round off of entitlements as sanctioned by the meeting of shareholders at which the reconstruction of capital is approved), but in all other respects the terms of exercise will remain unchanged. The terms of the options, including provisions relating to any reorganisation or reconstruction of capital, shall be in accordance with the Listing Rules of ASX.

With regard to resolutions 8(a) to 8(f), and in accordance with ASX Listing Rule 7.2, exception 14, if approval is given under listing rule 10.11, approval is not required under listing rule 7.1.

In accordance with the Corporations Act and the Company's Constitution, in order for the resolution to be effective it must be passed as an ordinary resolution. This means that the resolution must be passed by shareholders who are the registered holders of more than 50% of the Shares and who attend the meeting (either in person or by proxy) and are entitled to vote on the resolution.
